Anne,  
I don't anticipate any GI announcements from OWOW in the next 90 days.

Thanks,

Lynda

I'm not part of our branch's GI team, so you should not expect an update from me regarding that piece anyway.

Thanks for the update on this... I know you are fully immersed in this and doing lots of work.

If I don't hear from you by the end of the day, I'll assume there are no other items to add to the press planner. Thx

Anne,

Lynda and I discussed this with regard to Oregon CZARA. We do not anticipate any final agency action on Oregon CZARA in the next 90 days, so we do not feel it is appropriate at this time to add this as an item in the press planner. We have been updating our management through various means, including the weekly talking points to Benita for OW-level discussion.

Gale asked me to coordinate AWPDP review/update of the AWPDP items in the 90 day press planner. Please provide any updates/additions to me by  
COB Mon. May 12.

Do you want to add an item about disapproval of OR's CZARA program – perhaps this is happening in the next 90 days.

Other items? There is one item in the list about GI – but I assume that OWM has the lead for this action on resigning GI statement of intent.

Thanks.
